

keepsake cubes

The Keepsake Cube is another product to uniquely display images on a desk, table, or shelf rather than a wall display. Our 4" cubes provide 6 sides for images and design to be viewed from all angles.

Get creative by using multiple cubes to spell out a child's name or create home decor with special words. Stack the cubes or display them side by side to create a point of interest display.

keepsake cubes

QUANTITY	RETAIL
1 cube	\$89
2-3 cubes	\$75 each
4-6 cubes	\$65 each

Visit the keepsake cube page under "products" on the website and you will be guided to collage template options.

Custom designed templates available for \$25
