

memory boxes

These memory boxes not only make a great coffee table conversation piece, but are sure to be a family keepsake. For a **Communion** - hold photos of the special day, plus the child's rosary, white gloves or bible.

For a **1st birthday or newborn** - hold your child's photos through the year, but add "babys firsts" such as a lock of hair, first tooth and more!

Give your graduating **Senior** a custom box with images of their 1st 18 years as a special gift they are sure to treasure!
